School Level Scores

| School Name | Scores | Movement |
|-------------------------------|------------|-------------|
| Total | 140 | 0.28 |
| Tiger Creek Elementary School | 140 | 0.28 |

Dashboard Description and Metric Definitions

The Achievement Level Progress Movement Dashboard visually displays a students movement in a proficiency level from the preceding year and the current year.

- >Scores: Total number of test scores for filtered criteria. Schools with less than 30 scores for filtered criteria will be highlighted to indicate a small N size.
- >Prior Average (Avg) - The proficiency level average for the prior year.
- >Current Average (Avg) - The selected current year proficiency level average.
- >Movement-The difference between the prior year proficiency level average the current year proficiency level average.
- Color bands: $X < -0.25$ to -0.10 to 0.10 to $0.25 > X$
