

August 31st- September 10th
Math, ELA, and Science

1. Review Team Norms

2. Lead all content teams in the analysis of 2018 Assessment Data (1st Cycle).
 - a. Explain the exam makeup and how it relates to reporting categories and eligible content.
 - i. Test Design and Questions/Percentages

 - b. Provide teachers a copy of the 2018 Executive Summary.

 - c. Teachers identify strengths and areas of improvement and formulate hypotheses based on observed data.
 - i. “Dig Deeper”- use at least two-three days of remaining team time to identify “Why?”
