Technology Essentials

What are the essential skills my child will learn this year?

Of all the skills your child will be learning this year, below are the most important skills the Tongue River Elementary staff will focus on during technology this year.

Kindergarten

- Compare how staying safe online is similar to staying safe in the real world.

- Use the keyboard and mouse to login and navigate through an application.

First Grade

- Compare how staying safe online is similar to staying safe in the real world.

- Identify and perform daily processes by creating and following algorithms to complete tasks.

Second Grade

- Identify netiquette behaviors and practice safety rules for internet use.

- Keyboard at 7 AWPM (adjusted words per minute).

Third Grade

- Learn what plagiarism means and how to go about obtaining permission to use copyrighted work.

- Keyboard at 10 AWPM (adjusted words per minute).

Fourth Grade

- Practice grade-level appropriate behavior and responsibilities while participating in an online community.

- Keyboard at 15 AWPM (adjusted words per minute).

Fifth Grade

- Discuss real-world cybersecurity problems and identify and implement appropriate strategies for how personal information will be protected.

- Keyboard at 20 AWPM (adjusted words per minute)
