

- Teams need to put at least 1 data review for each content area (ELA & Math) slot into this schedule by and including November 16. After November 16th, the expectation is that all 3 content areas will have data reviews every 4-6 weeks in this schedule.
- We will add in the GC PD session staff meetings together at a GC meeting once teams have filled in their data reviews.

2022-2023 EES Wednesday PLC Schedule
