

# **NEW GLARUS ELEMENTARY SCHOOL**

## **2022-2023 School S.L.O.**

### **Subject Area/Grade Level**

All students, grades 4K-5th grade will be the focus of this SLO.

---

### **Baseline Data and Rationale: (Why did you choose this objective? What evidence can you provide related to your current student population's baseline abilities as it relates to this goal?)**

New Glarus Elementary School has traditionally had a significant number of high-achieving students. However, there are populations of students who are not experiencing the same level of success as the data reveals.

Overall Achievement on the Forward Exam for 2020-2021:

- ELA - 62% proficient/advanced
- Math - 54% proficient/advanced

Disability Status -

- On the Forward Exam in 2020-2021 in **ELA**:
  - Students without disabilities scored 58% proficient or advanced.
  - Students with disabilities scored 23% proficient or advanced.
    - The change in proficient and advanced students without disabilities went up 6 percentage points from 2018-2019.
    - The change in proficient and advanced students with disabilities went up 14 percentage points from 2018-2019.
- On the Forward Exam in 2020-2021 in **math**:
  - Students without disabilities scored 68% proficient or advanced.
  - Students with disabilities scored 1.4% proficient or advanced.
    - The change in proficient and advanced students without disabilities went up 10 percentage points from 2018-2019.
    - The change in proficient and advanced students with disabilities went down 12.9 percentage points from 2018-2019.

### Socioeconomic status-

- On the Forward Exam in 2020-2021 in **ELA**:
  - Students without low socioeconomic status scored 61% proficient or advanced in ELA.
  - Students with low socioeconomic status scored 28% proficient or advanced.
    - The change in proficient and advanced students without low socioeconomic status went down 1 percentage point from 2018-2019.
    - The change in proficient and advanced students with low socioeconomic status went up 3 percentage points from 2018-2019.
- On the Forward Exam in 2020-2021 in **math**
  - Students without low socioeconomic status scored 70% proficient or advanced in math.
  - Students with low socioeconomic status scored 33% proficient or advanced. (2018-2019)
    - The change in proficient and advanced students without low socioeconomic status went up 15 percentage points from 2018-2019.
    - The change in proficient and advanced students with low socioeconomic status went up 12 percentage points from 2018-2019.

The purpose of this SLO is to close those achievement gaps.

---

### **Learning Content and Grade Level:**

All subjects, grades 4K-5. An increased priority will be given to ELA because reading is one of our indicators for college and career readiness at the elementary level.

---

### **Student Population:**

Grades 4K-5

---

**Targeted Growth:**

The Third Trimester ELO data for K-5th grade from Educlimber:

Percent proficient on 3rd trimester ELO		
	ELA	Math
4K	95%	83%
K	94%	98%
1	84%	90%
2	84%	95%
3	96%	99%*
4	96%	94%*
5	No scores	No scores

\*some data was missing

\*no 3rd trimester report card data in Educlimber

Spring iReady data and the percent of students deemed proficient based on Rtl iReady Benchmarks:

Percent proficient on spring 2022 iReady		
	ELA	Math
4K	NA	NA
K	78%	81%
1	78%	64%
2	70%	77%
3	77%	69%
4	79%	80%
5	81%	72%

---

**Interval:**

The SLO will be for the 2022-2023 school year.

---

**Additional Evidence Sources: (What assessments will you use to measure your progress?)**

- Common Formative Assessment Data
- Trimesterly ELO data checks

---

**SLO Goal Statement:**

*During the 2022-2023 school year, all students in grades 4K-5 will be proficient on 80% of grade level ELA and math ELO's.*

**Instructional Strategies (Actions Steps)**

- Tier 2 time throughout the 2022-2023 school year.
- Staff meeting discussions focused on Tier One and Tier Two non-negotiables
- Weekly grade level team meetings focused on student achievement data on CFAs and ELOs

**Progress On The SLO**
