Our Mission

Pine Tree Primary builds the foundation from birth to adulthood by partnering with families, students and the community. Focusing on our common goal of unity, we will grow all learners as we continue a culture of excellence.

Learning Results Collaboration

4

- ✘ **Build Leadership Capacity**
- ✘ **Collective Responsibility**
- ✘ **Creates a Commonly Owned Plan for Success**
- ✘ **Commits to Continuous Improvement**
- ✘ **Ensure the campus stays aligned to the Primary's vision, mission and values**

The Future of our Primary Pirates

2020

Growing
Our Own:

We will build upon our programs to create high quality on-campus and virtual education systems for students, staff, and parents.

2021

Growing
Beyond:

We will partner with community organizations and early learning centers to build seamless transitions to school.

2022

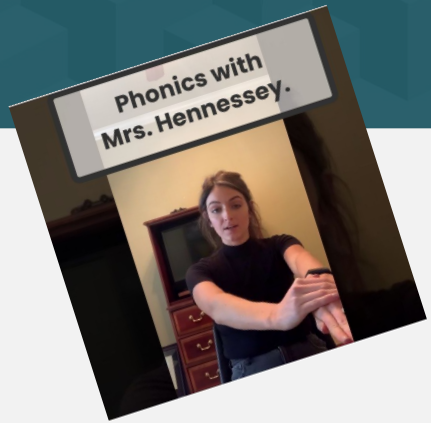

Growing
Our Future:

We will be the leaders in the area for early learning to ensure our Future Pirates are school ready.

2020: Growing Our Own

Growing Our Own

Students

- *Data Notebooks that students are in charge of tracking progress in

2021: Growing Beyond

Growing Beyond

Students

- *Qualify more students for our programs.
- Future Pirates Club
- Prekindergarten
 - *Free
 - *Tuition-Based
- Kindergarten

Staff

- *Highly Qualified Paras
- *Birth to 5 Planning team is working to build connections with community members.

Families

- *Community Groups will be invited to all Registration Events, Summer Playdates, and other Family Events to help build connections.

Bring Your Parents to School Day

Pine Tree Primary School

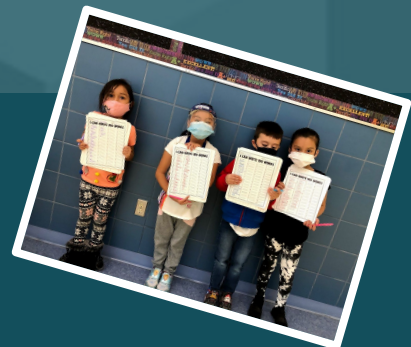

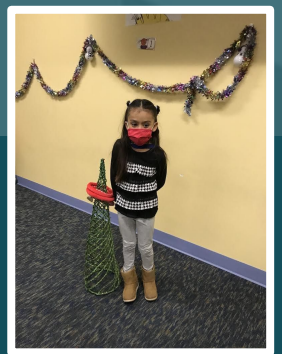

The goal of the day was to provide parents opportunities to become the best learning partner for their student that they can be. Parents built their capacity as they learned side by side with their students through self-selected sessions led by teachers, Parent Liaisons, and Region 7 ESC staff. To support these efforts once they returned home, each family received a bag with reading and math activities geared towards either pre-kindergarten or kindergarten.

The goal of Future Pirates Club is to build a strong Pine Tree Pirate culture of school readiness from birth by collaborating with local community groups to provide resources to our families.

Growing Our Future

We will be the leaders in the area for early learning to ensure our Future Pirates are school ready.
