

# The Foundation of Bethalto East Primary School

## OUR MISSION

We are a compassionate and student-focused team collaborating to work towards high levels of learning for ALL students, & prioritizing trust, communication, and ownership for the learning of ALL.

## OUR CHAMPIONSHIP VISION

In order to achieve our mission at Bethalto East, we envision a learning environment where:

- ALL staff communication demonstrates respect and compassion for ALL, regardless of background.
- ALL students and staff achieve high levels of learning.
- We function as a cohesive team focused on supporting our students and one another.

## OUR COLLECTIVE COMMITMENTS

We collectively commit to:

- Make constructive contributions to our district and school learning community.
- Take responsibility for our professional growth and development.
- Make instructional decisions collaboratively using best practice and data to inform individual and team practices.
- Accept & value ALL of our students' families as important members of our learning community.
- Hold ourselves and one another accountable to the behaviors aligned with our mission, vision, and collective commitments with caring, open, and professional communication when a commitment is violated.

## OUR SCHOOL-WIDE GOALS

- By May 2024, the percentage of students within the 35th to 99th percentile in ELA will increase by 5%, as measured by our district's end-of-year ELA assessment.
- By May 2024, the percentage of students within the 35th to 99th percentile in Math will increase by 5%, as measured by our district's end-of-year Math assessment.
- By May 2024, at least 80% of all students will meet/exceed the low risk benchmark, as measured by our district's end-of-year SEL assessment, and the percentage of students who receive minor/major behavior infractions will decrease by at least 5% from first to second semester.
- By May of 2024, at least 85% of students will be in attendance for 90% of school days.
