BBIS Mission Statement

We are committed to partnering with our community as we educate and support all students, staff, and families. We will meet the social, emotional, academic, and physical needs of all our students in a safe environment. We will challenge all students' potential by modeling a growth mindset, cultivating relationships, and encouraging individuality to facilitate success in an ever-changing world.

Team Norms:

- All members will arrive on time and be prepared with all materials focused on meeting outcomes- no additional items i.e computers.
- All members will actively listen, and meaningfully contribute to the collaborative group discussion.
- All members will make decisions with the "Best Interests" of the students in mind.
