

Specific Actions to Increase Student Learning

Five Steps to Success in the PLC Journey

1. Commit that the **fundamental purpose of the school** is to ensure that

ALL students learn at high levels

2. Establish **COLLABORATIVE TEAMS** that take **collective** responsibility for student learning

3. Teams identify a **guaranteed and viable curriculum** for each unit, agree on common **pacing guidelines**, and create and administer **COMMON FORMATIVE ASSESSMENTS** to monitor each student's learning at the end of each unit.

4. Utilize **COMMON FORMATIVE ASSESSMENT** data to identify:

- ✓ Which students need additional time and support
- ✓ Which students need enrichment and extension
- ✓ Teachers who help students achieve at high levels so team members can examine those teacher's practices

5. Create a systematic **INTERVENTION PLAN** that guarantees that students who struggle receive extra **TIME AND SUPPORT**
