

# 5th Grade Team Notes

Be Respectful \* Be Responsible \* Be Safe \* Be Kind

**Date:**

**Team Norms:**

1. Be on time and prepared.
2. Be respectful and have an open mind.
3. Be present by being an active listener and participant.
4. Be focused on our purpose.
5. Follow through.

**Meeting Outcomes:**

*Purpose: dedicated to high levels of learning for all students- developing systematic strategies for what to do with students who have learned or haven't learned*

## **1. Review Team Norms**

## **2. Learning and Teaching (each item must be connected to one of the 4 PLC question)**

- a. Tier 2 rechecks: We gave our rechecks for math ELOs for this trimester thus far. We will continue to work with students not showing proficiency.
- b. Danielle B. Update: We were able to check in concerning students.
- c. CKLA Check-in: Updated the Planning and Pacing Guide and talked about adding in the Robot Lessons starting when Sally gets back. We're planning as of right now to do the Robot Lessons for 30 minutes every Wednesday and Friday.
- d. Steph: We discussed the use of modified assessments for her students in math.
- e. CKLA: Discussed upcoming lessons and workbook pages to collect to align with current ELOS.
- f. We discussed number 11 on the Unit 3 Mid Assessment 2 for math and what an appropriate answer would be. We are planning on revising the wording in the question to align with the expectations for next year.

## **3. Action Steps for Next Meeting**

- a. Schedule Tier 2 recheck for multiplication and division of decimals and fraction as division
- b. Continue to work with students not showing proficiency in math ELOs that we are planning on rechecking.
- c. Knight Store items??

## **4. Nuts and Bolts Business**

Math 24: Karen will go with the team.

## **5. Weekly Positive/Best Practice**
