**SMART Goal:**

<p><b>NORMS</b>  <b>Overall: Ensure that students are always at the center of our work.</b></p> <p><b>Planning &amp; Coordination</b>          Preview in advance a vision-focused agenda that includes time for reflection and come to the meeting with a clear focus on the goals.          Start on time and end on time, while always respecting everyone's time.</p>	<p><b>Participation</b></p> <p>Be present, prepared, and fully engaged in the learning and conversation.          EVERYone shares in collaboration and participates in conversation that is positive, respectful, and solution-oriented.          In all interactions, remain transparent and maintain confidentiality.          Engage in a growth mindset, and always think "we" not "me".          Avoid all distractions not related to the meeting and hold each other accountable.</p>
