

Our goal is to recognize and reinforce the hard work that goes into ensuring that all students learn at high levels.

How we do this:

\*Pictures in our weekly communication that capture things we want to reinforce

**Tell Me Something Good..Featuring All Hands on Deck with 2nd Grade UA Time**

\*Play these pictures as a slide~show with music at the start of every staff gathering

\*Happy Face Notes to reinforce what we are seeing in the classrooms during walk throughs-minimum of 5 per week

\*Certificates and lunch for grade level teams who meet their SMART Goals-publicly celebrated at meetings

\*Food and raffles and thank yous on a regular basis (some is donated by the community~CPK, Beer Baron)

\*Staff room boards to celebrate and thank each other

\*WoW Wall to highlight the amazing success of student growth as a result of all of the work

Ideas to Add:

\*Rose Ceremony~each teacher/grade level gives a rose to someone they want to recognize for going above and beyond

\*Super Stars~teachers nominate two people (one person twice a year) to recognize for their hard work with student learning

\*\*Invite DO people to these\*\*\*
