CCC Collective

"The most valuable resource that all teachers have is each other. Without collaboration our growth is limited to our own perspectives." ~Robert Meehan

Purpose: To strengthen our CCC and improve student learning through collaboration and a commitment to continuous improvement.

Agenda

Introductions

Group Discussion

- How do you prepare your team to have a productive CCC meeting?
- What have you found to be successful as you facilitate CCC conversations?
- How do you implement your intervention block?
- What CCC resources can share that have increased the capacity of your team?

Notes:

Next Steps:

"What are your next actionable steps based on today's meeting?"
