

included. Please schedule a WorkKeys for any students who are at 0 or .25. Additionally please ensure that MO Options students who are close to finishing have exam scores. I have included info from previous months as reference.

Also, as new seniors enroll, please ask for copies of ACT, SAT, ASVAB results printouts if they have them and have Heather Ashton scan into the student record in eSchool and enter the scores into the student test summary screen (we have to have the printout in order to enter on the screens so that we have supporting documentation for DESE). If new students have not participated in one of these exams prior to enrolling, make note so that they can be scheduled for a WorkKeys.
