

Collective Commitments

Panorama Elementary

In order to provide the most effective education and learning opportunities possible, Panorama Elementary is committed to the following standards that characterize an exemplary school. The realization of these exemplary school standards is based on the collective commitments of the Panorama Elementary faculty, staff, students, and community. In order to be an exemplary school, Panorama Elementary is committed to achieving the following:

1. Panorama Elementary faculty and staff are committed to taking an active part in frequent professional collaboration focused on curriculum, instruction, student learning, and effective interventions.
2. Our focus is continuous improvement and growth. We will use on-going assessment and quality research-based materials to create and maintain a rigorous curriculum focused on instruction that is student centered, engaging, interactive, and based on the needs of the individual.
3. We will provide specific interventions, to all students, to reinforce learned material and/or to extend what has been mastered.
4. The Panorama Elementary faculty and staff are committed to professional relationships that are characterized by support, encouragement, collective cooperation, and mutual respect. We are united in supporting continuous improvement, fostering leadership skills, encouraging teamwork, and building trust and respect.
