

## MOY Data Conference Reflection

The goal of the middle of year data conference is to reflect on progress students have made thus far and to plan to continue their growth the remainder of the school year. Your PK Coach will join us at the conference to celebrate areas of strength and to provide support for continued growth. Teachers will take the lead during the data conference.

To prepare, please do the following:

- ❖ Focus & Reflect on MOY OS data for each of your students
- ❖ Align data conference conversation with the four questions
- ❖ Be prepared to:
  1. Share an area of strength
  2. Share an area where support is needed
  3. Discuss instructional plan for:
    - students meeting EOY expectation
    - students in range of EOY expectation
    - students out of range of EOY expectation

**MOY Data Conference - Hernandez**

**3-1-21**

1. Share an area of strength: there has been growth from BOY to MOY; Students growing in average number of words per story from 32 words in round 1 and 105 words in round 6 - Oct 8th thru Dec 17th; LID; CAP
  
1. Share an area where support is needed: Dictation, Running Record, Writing; Susan model doing small group sorting letters, etc.; Susan model small group using Benchmark books and writing
  
1. Discuss instructional plan for:
  - students meeting EOY expectation: learn new strategies required in next level such as decoding, beginning and ending sound, self-correction; more opportunities for independent writing such as book making, storytelling
  
  - students in range of EOY expectation: continue reading strategies at instructional level & small group at least 2 times per week; sound of letters, stretch words, label drawings, etc.
  
  - students out of range of EOY expectation: small group and individual instruction; CAP; parent support practicing holding/turning book pages, sharing something about the story, one to one, concept of a letter and word, directionality; small group and individual instruction focused on LID; writing first name; meaningful writing activities in centers;
