

Teacher: _____

Subject: _____

Data Talk Reflections:

Strengths: What went well? Which SE's? Why?

Weaknesses: What needs improvement? Which SE's? Why?

Based on the data, what are your next steps?

How will we know when students have mastered the concept(s)?

What do we do for the students that have demonstrated mastery of the concept(s)?

What do we do for the student that have not demonstrated mastery of the concept(s)?
