List your student centered celebrations from this monitoring period.

Topics discussed (directly related to the 4 corollary questions)

- What is it we expect students to learn?
- How will we know what they have learned?
- How will we respond when they don't learn?
- How will we respond when they already know it?

Analyze specific instructional strategies that have been implemented during this monitoring period.

What has been the impact on student achievement? (as related to data and implemented strategies)

What follow-up is needed for the next monitoring period? (resources, tasks, new instructional strategy focus, etc...)
