

DOK Calibration Activity

Each grade level content teacher must come to their horizontal collaborative with an assessment they have given or plan to give. Identify the level of each question using your DOK chart. Does each question align to a specific TEK or learning standard (AP/DC) for your content?

GUIDING QUESTIONS

DOK Calibration Activity

1. What is the purpose /importance of gathering baseline DOK assessment data?
2. How would having the skills/content standards aligned to each question help to inform our next steps?
3. How does this apply to your content and better inform your own practice?
4. Any AHA moments?
5. Questions?
