Middle School --- ONLY have 20 min. to eat. NO RECESS. May want to structure things more than usual... sit and eat vs. the courtyard. BUT, 180 MS students in the multi is a lot - the courtyard may be a better option for space. Also, we could potentially use the gym and have students sit on the floor to eat, picnic style.

Reach out To LG about TK having lunch during 1:20-1:40, may be a conflict between that and LG after school care

Please note that for 4th grade there are 5 total classes, so one day will have 2 classes together and one class will have 3 classes together.

Based on feedback from PE in previous years and music this year, this is the preferred way rather than alternating classes who are together to get two classes on each day of the week.

## Considerations

- Pam Ori to support 1st, 2nd, & 6th (must have back to back E-Blocks)
- 3rd/4th common lunch time
- 5th grade must have a lunch time bumped up to their music/PE time
- TK must have lunch (not in classroom)
- There needs to a 7th/8th music block in the morning. This is when we have math.
