Enthusiastic, Capacity-building,  
forward-thinking life changers

## NORMS

---

- Ask questions and clarify
- Be open to feedback and willing to give honest feedback to others
- Focus on solutions and assume the best in others
- Mono-cohesiveness among the team and the building
- Participate in dialogue (laying everything out ) and discussion (solving problems and making decisions
- NORM!

## COLLECTIVE COMMITMENTS

---

- We will limit sidebar conversations.
- We will keep phones and other distractions out of sight.
- We will focus on what we can control and only that.
- We will make sure we create and follow our agendas each week.
- We will be present and involved during times of collaboration and meeting.
- We will begin and end on time and members will be here and leave on time
- We will maintain a forward thinking mindset.
