What were the lowest two TEKS and how will you spiral those standards back in throughout the next quarter? (5 mins)

TEKS	Strategy(ies) to Improve	Timeline for Implementation

For us to achieve our goal above we need to be intentional about the support/s we are providing to specific students. The list below identifies exactly how many students need to level up on our next QSE (numbers to names)

LINK TO INTENTIONAL STUDENT LIST BY TEACHER
(Numbers to Names List)

What are some high yield instructional strategies that we could incorporate into our teaching to ensure these specific students grow by the next QSE? (20 min)
