Total Instruction Time		310	315	300	300	300	295	295

Each grade level will determine the time for STANG Intervention/enrichment (30 minutes daily)

The image shows a large, empty grid table, likely a master schedule template. The table has a shaded header row at the top. The main body of the table consists of many rows and columns, forming a grid. The grid is mostly empty, with a few faint, illegible markings in the middle. The table is oriented vertically on the page.
