

**Mission** - Longfellow School promotes educational excellence and social responsibility while valuing the diverse needs of all students.

**Vision** - High Student Achievement: We creatively approach student needs through the lens of both data and unique student journeys. Climate: We foster trust and positive relationships through accountability, safety and kindness.

### [Core Values](#)

#### Longfellow Goals

- Print and literature rich classrooms, use of Science of Reading tools and pedagogy, integrated content lessons/activities, access to appropriate and scaffolded texts, targeted diagnostic assessments/interventions and instructional focus/use of IMPACT schedules
- Collaborative teams engaged in data analysis, creating specific and measurable student achievement goals in relation to existing realities and district literacy focus, and ongoing professional development.
