

Panorama SMART Goal

District Goal:

High Levels of Learning for All Students

School Goal:

All students will be grade level readers and writers

Team Goal:

- *Specific*- Every student will make one or more years of growth in reading
- *Measurable*- Our current reality: 2017-18, 2nd Grade End of Year DIBELS had 77% proficiency. We will increase proficiency to 82% or above in 2018-19.
- *Achievable*- We will have strong Tier 1 instruction, RTI, small group reading, data driven discussions weekly, deep dive every 6 weeks using DIBELS benchmark goals (monthly small goals, 3 benchmark goals), at-home reading, and tutoring program.
- *Relevant*- Expectation from ESSA, students need to be reading on grade level by 3rd grade. Our population is transient and we often get students who have had 1-2 moves from schools before 3rd grade.
- *Time-bound*- Check-ins weekly at PLC, and every 6 weeks

Goal outcome: 2nd Grade DIBELS End of Year proficiency 2018-19: 84%
