

PINEHURST ELEMENTARY SCHOOL

in the business of play

Loose and Tights - OUR PLC Non-Negotiables

- Collaborative teams will meet at least weekly.
- Teams will create a social contract or norms to guide their work.
- Collaboration is expected specifically on Promise Standards in reading and in math.
- Pre- and Post Assessments will be used to gauge learning.
- Teams will compile data regarding pre- and post- assessments to share with School Improvement Team.
- Teams will re-organize children to reteach Promise Standards across teachers.
- Teams will post-assess again once Promise Standards have been taught a second time.
- Reassessment data will be uploaded to grade level documents to demonstrate student learning over time.
- Teachers will follow progress monitoring requirements.
- Students will be moved into and out of Tier 3 interventions as directed by the progress monitoring data every six weeks.
- Teachers are **not** expected to teach lessons using exactly the same methods of delivery or instructional tools.
- Teachers are expected to maintain pacing with the team.
- Teachers will implement LETRS as a group to ensure all students receive instruction in the science of reading.
