PLC Action Plan

What do we want all students to learn?

Standard:

Learning Target:

How will we know they have learned it?

Common Assessment:	
Protocols (when/how):	
SMART goal:	

Teach → Give Common Assessment → Analyze Data

What is our body of evidence?
(enter body of evidence here)

Plan based on assessment results

How will we respond when learning has already occurred?	How will we respond when learning has already occurred?
