For more specific information regarding your student, remember you can log into the [Parent Portal](#).

Please note your student's grades may not reflect the most current assessments. If you have any questions or concerns, we ask that you contact your classroom teacher directly.

Our goal for every student is to maintain a 95% attendance rate or better for the entire school year. Research indicates that a child's academic performance is related directly to their rate of attendance. Students with great attendance tend to be more engaged in school and more confident about their academic performance. Thank you for helping your child experience success by building the habit of great attendance!

Thank you,
Fulton School District
