

Just a Few Things
Around Willowbrook
Quarter 1

Did you know....

Tyler Foster asked all his parents the question, "What makes your child unique?" You have to go read these. They are so heart-warming.

Did you know....

Katie Moe ends every class with the concentration circle as a way to reset and end the class with a purpose and focus.

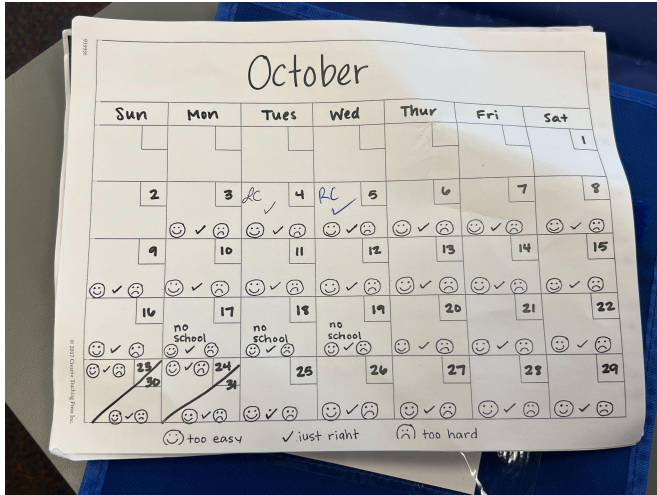

Did you know....

Matt Allen presented to 4th grade survival skills to go along with their reading of the book Hatchet. There is also some 4th grade writing outside Jeff Ladd's room you should check out or better yet, let your kids check it out as pieces of modeled writing.

Did you know....

Kellie Pledger has these amazing take-home bags for students to focus on specific skills with their families. I have several extra backpacks that we could use for others who would like to try this.

Did you know....

Deb Shiohira's kids know how to earn a 3 on their writing.

Did you know....

Dodie McDaniel's kids are learning how to give a book review.
