Grade 4	740-940L	Grade 8	1010-1185L	Grade 12	1185-1385L

USING THE DATA

Purpose:

This report shows the reading performance of students within a district, school, grade, or for an individual teacher, class, or group.

Follow-Up:

Identify districts or schools that are not showing adequate growth over time. Contact principals or other administrators to discuss strategies for maximizing the performance of students in their schools.
