### Principal's Message...

Hello BMS Families,

We had another outstanding week at BMS! Our students accomplished a lot this week! We welcomed our rising 6th grade students and parents, the Media Arts class are prepping to distribute yearbooks, we celebrated our Cory White Diversity Awards winner - Kamarion Glenn just to name a few of the adventures that occurred this week! Please read through the following important reminders:

- [The BMS After School Program is up and running. Please call the front office for an application if you are interested!](#)
- [The tardy bell rings at 8:00am. All students must be in their first period class to avoid being tardy.](#)
- All students must be picked up by 4:00 pm in the afternoons unless they are under the supervision of a coach or teacher at a school designated event.
- [Please don't forget to order your yearbook, click here to order online. Price goes up September 16th!](#)
- Check out this month's issue of the [Counselor's Corner](#) a newsletter from the BMS Guidance Department.

I want to thank all of our families for your support. Join our social media for up to date information. Please call us if you have any questions or need help.

## Parent Supports

- Please check Parent Portal each **Tuesday** for updates to your student's grades. You will need to have a registered account to log into Parent Portal. Please contact BMS to learn how to set up your account. Once you have a registered account, use this [link](#) to log into your account. If you need an overview of how to use Parent Portal, try this [video](#).
- Expect an email communication each **Friday** from your student's teachers to keep you informed of important class information.
- If your student could use some additional help, try Tutor.com, a free resource through SCDISCUS. For more information check out this [video](#) and [flyer!](#) **This resource has been funded again for the 2022-2023 school year!**

## COVID Protocols

Anderson School District 2 holds the safety of our students and staff members as a top priority. To ensure to we are protecting everyone in our buildings, we will follow the guidelines listed below:

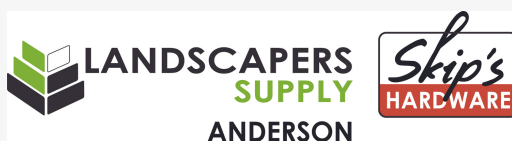

- We will clean desks and high touch areas with Oxiver between classes/engagements as is appropriate.
- We will promote regular hand-washing and provide sanitizers in classrooms.
- We will clean buildings and buses daily following CDC and state guidance.
- We will encourage all teachers, staff, and students (and parents) to assess themselves daily and not report to school if they are symptomatic.

## BMS Remote Learning Plan

If your student has to be quarantined due to issues with COVID-19 they will need to follow the temporary remote learning procedures below.

1. Administration will make teachers aware of a student that has been placed on temporary remote learning.
2. Teachers will email the student (and copy a parent) to let them know about specific assignments, instructions, or other important information for their classes.
3. Students will complete their independent assignments through Google Classroom.
