Directions: Please fill out as much of this data table as possible. If you do not have state level data for any of the individual areas, please shade the corresponding box dark gray. Remember that you are required to include at least three years of data for all grade levels served by your school. You are also required to include data that shows the progress being made by students in subgroups traditionally underserved by schools.

** A new test was given this year with new standards and new tasks. Data is not being reported the same way. An overall Median Percentile Rank for the school, state and district are being shared. 21/22 State = 50th, District = 66th, School = 77th
