A Culture of Continuous Improvement

- A Focus on Learning
- A Culture of Collaboration
- A Focus on Results

Collaborative Team:

Team Members:

Date Range:

Sustainable, Measurable, Attainable, Results-oriented, Time Bound

We hold each other mutually accountable to achieve the following SMART goal:

This goal addresses the following of the 4 critical questions (please identify all that apply):

1. What do we want all students to know?
2. How will we know when they've learned it?
3. What will we do when they don't learn it?
4. How will we respond when they already know it?
