Hi,

I'm just checking up on DG. How are things going? I hope everything is going exceedingly well! If you have questions or and/or concerns, please let me or Takelia know. One of us will be most happy to assist.

Hello all,  
DG appears to be getting so much stronger and improved at following and engaging in the daily class schedule! He can perform some task on an independent level as well as assist with staff's help on other occasions. Today, Ms. [REDACTED] prepared the schedule and support plan for Staff 's proactive use and it was truly wonderful to observe their unified efforts to help DG be as successful as possible!  
Can you provide the first names of the staff who helps Ms. [REDACTED] including the wonderful assistance from the cafeteria and with DG's Personal Care. I'm hoping that Wednesday will be the last observation needed, and I truly want to thank each of them personally.

Ms. J.
