

In attendance: Jeff Skillman, Cherie Sims, Michele Cribb, Kayla Wong						
1. Norms and Expectations were reviewed.						
2. The purpose of today's meeting is to discuss concerns from September's meeting and where we are in the evaluation and data process.						
3. Intervention data was reviewed for iReady and Lexia. Specific concerns were addressed about iReady matching EASY CBM. Some grade levels were concerned about students starting on Lexia from last year when they were struggling on that level.						
4. Urgent concerns: Gabby Bonner(5th)- waiting on case history and medical review form,						
Kaylee Grooms(1st)- retained in K, still struggling in 1st, ended at L6 on Lexia retested and started on L3, discrepancy between reading and math						
Xzavier Bales (4th)- discrepancy between reading and math, only moved 4 levels last year in Lexia, low comprehension						
Abigail Keen (4th)- low in reading and math						
Dustin Colbert(K)- parent consent meeting held on Friday, Oct 4th, paperwork sent home with student- mom returned consent, packet put on pony for county office 10/7/19						
Brooklyn Crofut- possibly moving not at school today						
Bryson Wheelus- Easy CBM is inconsistent/inappropriate kindergarten level is too low, STAR Rdg 9th percentile- should be in Lexia Lab with Godfrey						
5. Ms. Oster came in to discuss specific students who she is seeing or who will be visiting the GA Hope counselor: Jamine Parker, Madi Lerch, Lexxie Stanley, Andrew Bankston						
Elliott Charles, Mackenzie Cordova, Garrett Gregory, Wyatt Harding, Coby Huffman, Haley Huffman, Corbin Lambert, Jaxson Parham, Sadie Wilson
