Kindergarten Bird House Day, Tongue River Elementary

This is an opportunity for the kindergarten children to interact with an important man in their life. This could be a dad, step-dad, grandpa, uncle, older brother, etc. If no male figure is able to bring the student to this event we encourage the female figures in the student's life to bring the student and participate with them.

September 15th – Wednesday

We will **begin** building birdhouses at **6 p.m.** and will be **finished** by **7:00 p.m.** We will work on the concrete in the front of the school.

Please bring (if you can, if not we will have some extras)

A small hammer

A Phillips screwdriver

Safety goggles

We will be providing the birdhouse kits and all supplies such as nails and screws needed to put it together. If you have any questions please call Kevin Charlson, school counselor.
