

TIGER TIME OVERVIEW

Tapp Middle School

TIGER Time Stands For...

- Targeted Instructional Groups for Enrichment and Remediation

Description:

- Targeted and flexible intervention blocks ensure there is dedicated time in the schedule during which students are flexibly grouped to receive remediation or enrichment.
- Group size and curriculum often varies across student groups based on need.
- Students have opportunities throughout the school year to switch into different groups during the block depending on how their needs evolve over time.

Two Types:

- Preselected by the teacher based on prior skills or courses.
- You will get a chance to choose from a select set of courses.
