

Grade:  
Subject:

## **Vertical Planning**

**2/5/19**

### **Norms:**

**Discussion will remain student centered**  
**Discussion will remain positive**

- Describe the collaboration between your team. (Responsibilities, When do you meet?)
- What are our current essential standards?
- 3-5 How does your grade level prepare for testing?
- What does RTI look like for our grade level?
- Strengths of our current students? (Be specific)
- What is a “wish list” of foundational skills essential for students entering current grade?
- What do assessments look like in our grade level? Bring examples
  - How do we analyze this data?
  - How does it drive instruction in our grade?
- Questions?

### Discussion Points

- Phonics
- Zearn
- Technology
- RTI
- Guidebook
- Science and Social Studies
