

Willow Creek Math Committee

February 15, 2023

3:15 p.m.

Review Norms

- We will be punctual and prepared.
- We will listen and respectfully participate, avoiding side conversations.
- We will presume positive intent while having difficult conversations.
- We will be flexible and put student learning first.

What do we want students to know and be able to do?

How do we know if students have learned?

How do we respond when students don't learn?

How do we respond when students have learned?

7. Overview of Beginning of Year FastBridge Screening/Comparison with Math screening

d. First Grade

- Math Screener
- What are you doing and where are you in WIN? **Separating WIN times two different times a day. Pushing for more WIN time.**

e. Second Grade

- Math Screener
- What are you doing and where are you in WIN? **Time for WIN, need more.**

f. Third Grade

- Math Screener
- What are you doing and where are you in WIN? **71% of students are where they need to be Tier1. Moving into more of teaching standards that are for third grade and away from screener because it is Tier 1.**

3. Current PD - Who?

4. What PD do we need?

AVMR

4. Calendar
